Hi Gang,

Really great job on getting everything to us...thanks.

On the IT piece that Tom just sent, the budget indicates persons hired by Sept 30 for the full ten months. In reading Linda's narrative, she indicated hiring time frames of 11/30 - for 8 months. I continued the 8 month theme in section one. The narrative in section 3 (IT) indicates hire date of 10/30. So the conflict is we have hiring/budgets of 10 months, 9 months and 8 months. I can make changes for consistency-- but you all decide on number of months (I like 9 but...)

On the IT narrative some of the statements using the term "hire" I believe should be "contract with". And -- it wasn't clear to me. Can you go through and change any contractors to say contract with, or identify a contractor by this time or Gillian, if you want to stop by and clarify which is hire/contractor I can make the changes.
